

THE
GODLESS MARCH
TOWARDS
MECHANICAL SUPERIORITY
HAS MADE US ABANDON OUR VALUES

SAY NO

to automation!
to open borders!
to heresy!

.....

``Traitors have duped hard-working Englishmen and flung our borders wide open. We have allowed unfavourable people to influence our rich culture. This must stop! It is not too late to take action. If we repent and change the current trajectory of our society, we can conserve the Greatness of the Empire.

One Empire, one Church.``
